In the summer at Bing Nursery School, we provide our play-based educational program for children aged 2yrs in the Two-Year-Old Program, and aged 2yrs 9mos – 5yrs in the Nursery Program. Play sets the stage for learning, provides the medium through which the children imitate, explore, test ideas, acquire information and draw conclusions. In each program, children use basic materials, including blocks, clay, paint, sand and water in a developmentally appropriate manner within a challenging and exciting learning environment. During the summer quarter, we maximize the use of our beautiful indoor-outdoor environment to encourage physical, social, emotional, and cognitive growth.

I like to play on the bars. Jaxi, 5 yrs.1mo.

**Enrollment times** for all programs are for mornings or afternoons, but not both. Children are enrolled for five days in the Nursery and two or three days in the Two’s program.
