## 3. Down By The Bay

Traditional Song  
Performed by: Bing children and teachers

Down by the bay where the watermelons grow.  
Back to my home I dare not go.  
For if I do, my mother will say,  
"Did you ever see a bear combing his hair?"  
Down by the bay.  
Down by the bay where the watermelons grow.  
Back to my home I dare not go.  
For if I do my mother will say,  
"Did you ever see a whale with a polka dotted tail?"

Down by the bay.  
Down by the bay.  
Where the watermelons grow.  
Back to my home I dare not go.  
For if I do my mother will say,  
"Did you ever see a fly wearing a tie?"  
Down by the bay.

When I was one, I had some fun on the day I went to sea.  
I hopped aboard a pirate ship and the captain said to me.  
Oh we go this way, that way, forward and backward.  
Over the deep blue sea.

When I was two, I tied my shoe on the day I went to sea.  
I hopped aboard a pirate ship and the captain said to me.  
Oh we go this way, that way, forward and backward.

Over the deep blue sea.

When I was three, I hurt my knee on the day I went to sea.  
I hopped aboard a pirate ship and the captain said to me.  
Oh we go this way, that way, forward and backward.  
Over the deep blue sea.

When I was four, I knocked on the door on the day I went to sea.  
I hopped aboard a pirate ship and the captain said to me.  
Oh we go this way, that way, forward and backward.  
Over the deep blue sea.

When I was five, I took a dive on the day I went to sea.

## 18. Train Song

An improvisational song performed by: Beth Wise and the Bing children

Does that sound like a lion?

Well. I was going down the track just as fast as could be.  
I looked out of my window and what did I see.  
I saw a cute little lion running beside my train.  
I said, "Come on into my train!"  
Can you say that?  
"Come on in, come on in, come on into my train."

So he came on into the train and made his little lion sound.  
Can you growl like a lion?  
Alright, so the train is going faster, chug, chug!

Well. I'm down the tracks just as fast as could be.  
I looked out of my window and what did I see.  
I saw a big, old snake, he was hanging from a tree  
And I said, "Come on in, come on in, come on into my train."  
Let's tell him! Say, "Come on in, come on in, come on into my train."  
There's a snake and a lion.

So I was going down the track just as fast as could be.  
I looked out of my window and what did I see.  
I saw a cute little kitty cat right by the tracks.  
I said, "Come on into my train!"  
I said, "Come on in, come on in, come on into my train."  
I had a a kitty cat, snake, a little tiny lion, coming on into my train.

Now, Let's make it go a little faster.  
Really fast, really fast, really fast, really fast.

Going down the track just as fast as could be.  
I looked out the window and what did I see.  
I saw a really nice horse running fast as the wind.  
I said, "Come on into my train!"  
Let's tell him, "Come on into my train!"  
We have lots of animals on our train!

I love to go a-wandering,  
Along the mountain track,  
And when I go, I love to sing,  
My knapsack on my back.

Val-deri,Val-dera,  
Val-deri Val-dera-ha-ha-ha-ha-ha  
Val-deri,Val-dera.  
My knapsack on my back.

I love to wander by the stream  
That dances in the sun,  
So joyously it calls to me, "Come! Join my happy song!"

High overhead, the skylarks wing, they never rest at home  
But just like me, they love to sing, as o'er the world we roam.

## 29. Make New Friends

Traditional Song  
Performed by: Julie Lythcott-Haims

Make new friends and keep the old  
One is silver and the others gold.  
A circle's round and has no end.  
That's how long I want to be your friend.

## 31. Goodbye Children

Traditional Song  
Performed by: Jen Aguilar, Jennifer Evans, and Jennifer Winters

Goodbye children  
Goodbye children  
Goodbye children  
It's almost time to go

And now it's time to go  
Adios Amigos  
Goodbye my friends

Until we meet again
