Nature Connection: Valuing young children's authentic experiences with the natural world

Join us for a virtual conversation, BYOC (Bring Your Own Coffee!)

Hosted by Teachers Lara Cardamone and Sadie Parrinello.

Date:

Tuesday, March 9, 2021

Time:

2:00-3:00pm

Location:

Online via Zoom

Join us for an exploration of the important experience of nature connection in young children's lives. Connecting to nature occurs with authentic opportunities to engage with the natural world. What is the child's perspective on their experiences in nature? And how can awareness of their perspective inform how you support their engagement with the natural world? We will explore insights about the benefit of nature connection and offer strategies for supporting children's experiences.

These events are open to adults of the Bing Nursery School Community.
