Looking Deeply at Children’s Work: A Reflective Inquiry Session

When:

Thursday, November 12, 2020
7:00 – 8:30 pm

Where:

Online via Zoom

Presented by: Head Teacher Emma Vallarino and Teacher Sadie Parrinello

Engaging in reflective teaching supports teachers to recognize what may appear to be everyday moments as important opportunities to develop rich understandings of children. In this reflective inquiry session, we will explore the idea of viewing children’s work as a way to more fully understand children’s learning and development in the context of the classroom and gain insight into their perspectives. Educators will have the opportunity to engage in dialogue around reflective inquiry, practice “seeing” children’s work in a new way, and emerge with new tools to weave reflective inquiry into their own practice in their own unique teaching settings.

Registration: $25
Registration opens Thursday, 10/15 at 10AM

Limited to 50 participants
