In the summer at Bing Nursery School we provide our play-based educational program for children aged 2yrs in the Two-Year-Old Program, and aged 2yrs 9mos – 5yrs in the Nursery Program. Play sets the stage for learning, provides the medium through which the children imitate, explore, test ideas, acquire information and draw conclusions. In each program, children use basic materials, including blocks, clay, paint, sand and water in a developmentally appropriate manner within a challenging and exciting learning environment. During the summer quarter, we maximize the use of our beautiful indoor-outdoor environment to encourage physical, social, emotional, and cognitive growth.

I like to play on the bars. Jaxi, 5 yrs.1mo.

**Enrollment times** for all programs are for mornings or afternoons, but not both. Children are enrolled for two or three half days. There are a very limited number of five-day spaces for some older children.

**Tuition** is set for the entire summer session and is non-refundable and is not prorated for partial attendance, withdrawal, holidays or emergency school closures.

**Extended care** is offered, at an additional fee, for the Nursery School Program only (not for Two’s). For the morning Nursery sessions, early care (7:45-8:15 a.m.) and lunch care (11:45-12:30 p.m.) are available. For the afternoon Nursery sessions, late care (4:15-5:00 p.m.) is available. Extended care is by contract on a two-day, three-day or five-day per week basis (forms given with contracts).

**Bing Nursery School funds a 20% reduction (Stanford Rate)** on tuition fees for children whose parents are regularly appointed Stanford University paid employees (at 50% time or more) and for children whose parents are full-time Stanford University students. Stanford University status must be confirmed with each new enrollment contract.

**Scholarships** based on financial need are available for all programs. Please see the Bing Nursery School Business Manager for a confidential Summer 2019 Scholarship application. Applications must be received before the second week of summer session.
