Whether your child is returning to Bing with new friends, new teachers, or a new classroom, or your family is new to the school altogether, transitions loom large in the lives of young children. But don't fear! With tips from early childhood experts and a respect for each child’s individual needs, parents and teachers can work together not only to facilitate the experience but to transform it into powerful learning.

Join us to learn more about how to support your child's transition this fall and to build a foundation for years to come.

These events are open to adults of the Bing Nursery School Community.
